Welcome to Community Base

Community Base is an independent charity providing a home for community and voluntary groups in Brighton and Hove and services to the local community.

In our accessible seven-floor building a few minutes from Brighton station, we provide low-cost office space, meeting rooms for hire, and a postal address service to community groups and charities.

We also provide a range of free services including:

- In-person signposting at our reception 5 days a week
- Online searches for local services, jobs and volunteering opportunities

The friendly, supportive environment provided by Community Base allows a wide range of charities and community groups to work together, share their expertise and provide much needed services to the local community and beyond.

Office space and meeting rooms

Community Base has a wide range of office spaces to rent, from single rooms to larger office suites and three affordable meeting rooms for hire in the heart of Brighton.

Our conference room (above) can accommodate 100 people.
Our two small meeting rooms (below) can accommodate 12 people.
